Godavari Global University (GGU) is an esteemed institution with a rich history, dating back to its establishment in 1998 as the Godavari Institute of Engineering & Technology (GIET). GGU is known for its commitment to academic excellence, as reflected in its NAAC 'A++' accreditation and consistent ranking by the National Institutional Ranking Framework (NIRF) since 2019. It offers UG, PG and Doctoral programmes in diverse streams of Basic Sciences, Computing, Engineering and Technology, Management Studies, Pharmacy and Allied Health Sciences, and Allied Health Sciences. GGU is renowned for its state-of-the-art infrastructure, world-class faculty, and innovative research initiatives. Its diverse and vibrant campus community fosters a culture of creativity, critical thinking, and global collaboration, preparing students to meet the challenges of an increasingly interconnected world. It places a high value on industry partnerships, research collaborations, and practical learning experiences, which are integral to its academic philosophy. Through its world-class research centers and innovation hubs, It promotes cutting-edge research in emerging fields like artificial intelligence, biotechnology, renewable energy, and digital transformation. As the host institution for It is proud to bring together experts, thought leaders, and innovators to engage in meaningful discussions and share insights that contribute to technological progress and societal development. University's dedication to fostering knowledge exchange and global partnerships reflects its role as a key player in advancing education and research on a global scale.

Department of English

“From Alphabets to Global Excellence”

The Department of English at GGU was established in 2024, giving it a separate and distinct identity within the university. It has a team of ten dedicated and experienced faculty members who are committed to student development and offers Ph.D. programmes and promotes research in language, Literature and communication. It follows a practical and skill-based teaching approach to help students improve their communication, thinking, and professional skills. One of the proud achievements of the department is its international teaching experience. The faculty successfully trained students from African countries for eight months, starting from basic alphabet learning and guiding them up to Cambridge English certification. The department focuses on preparing students to meet global participation through innovative teaching methods and real-life learning practices. With a clear vision, the Department of English aims to develop confident communicators and responsible individuals ready to face global challenges.

Venkat's Time is an educational academy registered under (ISO 9001:2015 and MSME) a YouTube channel/platform focused on sharing knowledge and insights on various subjects. It was launched in the year 2023. The channel features engaging video content, explanations, and lessons on topics related English Literature and English Language Teaching and Educational Videos. The sole intention of Venkat's Time is to invite the academicians from various fields to share the knowledge among the enthusiasts. In this regard Venkat's Time has a credit to organize Virtual talks on Literature, ELT, Poetry and on general topics. It has the recognition to publish books on various themes on ELT and Literature, a series of Anthology on Poems were also published. It has the great opportunity to organize Three International Online Poetry Confluences on the occasion of Mothers' Day, May Day, Friendship and also organized International Quiz (ONLINE) on the occasion of 75 years of India's Independence, Three Day International Conference (ONLINE), 7Day International FDP cum Short Term Course (ONLINE) and International Intensive Thesis Writing Workshop (ONLINE), organized One Day National Level Workshop (ONLINE) on “SPRING BOOT with AI” on 14-02-2026 for the academicians, students and industry enthusiasts. Organizing 2Day International Intensive Workshop (ONLINE) on 22/23-03-2026., and 3 Day International Conference (Online) from 11-04-2026 to 13-04-2026,

Conference Objectives:

1. To explore how language teaching evolves in the age of intelligent technologies
2. To create a space where tradition meets innovation in English studies
3. To encourage teachers to rethink methods with creativity and confidence
4. To bridge literature, technology, and human values in meaningful ways
5. To inspire educators to become lifelong learners in a changing world
6. To nurture ethical, sensitive, and responsible use of AI in classrooms
7. To celebrate the power of words even in a digital age

Conference Outcomes:

1. Participants will gain fresh perspectives on teaching English with AI support
 2. Educators will learn simple, practical strategies to enrich their classrooms
 3. Teachers will develop confidence to blend technology with human touch
 4. New ideas for research and collaboration will emerge
 5. A renewed appreciation for literature and language will be strengthened
 6. Participants will leave with clarity, creativity, and purpose
- 

Key Takeaways of the Conference:

- 1. Ego often believes “I know it all”; technology gently reminds us that there is always more to learn**
- 2. Technology may reshape tools, but the soul of teaching remains human**
- 3. The classroom of the future is not machine-driven, but meaning-driven**
- 4. AI can generate language, but only a teacher can awaken expression**
- 5. Simplicity in teaching is not a limitation—it is a refined strength**
- 6. True communication goes beyond correctness; it touches thought and emotion**
- 7. Literature continues to act as a mirror where students discover themselves**
- 8. The role of a teacher is quietly shifting—from authority to enabler of curiosity**
- 9. Innovation in teaching does not demand complexity, but clarity of purpose**
- 10. Ethical awareness must walk alongside technological advancement**
- 11. The future belongs to educators who blend intellect with sensitivity**

**E-certificate will be issued to all the
registered participants**

Registration Fee

**Participation + Presentation+Publication Certifications+
Hard Copy of ISBN Book with DOI**

- 1. Academicians: 1200/- +
(each additional author 200/- upto four)**
- 2. Research Scholars: 800/- +
(each additional author 200/- upto four)**
- 3. Students of UG/PG: 600/+
(each additional author 200/- upto four)**
- 4. Industry Experts: 2000/-**
- 5. International: 40 USD
(each additional author 10 USD)**

Submission Guidelines:

Submission of Full Paper: 07-04-2026

Submission Mail Id: venkatstime72@gmail.com

Conference Theme

Teaching English in the Era of Artificial Intelligence: Challenges and Opportunities.

Sub Themes

1. AI- Powered Tools for Language Learning
2. Rethinking the Role of the English Teacher
3. Assessing Language Proficiency with AI
4. Ethical Implications and Bias in AI for English Education
5. Developing 21st-Century Skills - AI-Integrated Teaching
6. AI for Content Creation and Curation in English Teaching
7. The Impact of Gen-AI on Writing and Critical Thinking
8. Personalized Learning Paths with AI in Education
9. Cross- Cultural communication and AI
10. Preparing Students for an AI-Driven World
11. AI and Accessibility in English Language Learning
12. The Future of English as a Global Language in an AI-Dominated World
13. Teacher Training and Professional Development for AI Integration
14. The Psychological and Affective Dimensions of AI
15. Policy and Curriculum Development for AI infused Edu.
16. Integrating AI-Powered Feedback Tools
17. Upskilling AI Literacy for the English Classroom
18. Empowering Teachers with AI as a Collaborative Assistant
19. Creating Immersive and Engaging Learning Environment
20. Teaching English With AI vs Without AI

**No Limitations to Submit your Paper
Relate to Theme of the Conference**
