Submission Guidelines:

Authors are required to submit a concise and well-structured manuscript written in English. The manuscript should be prepared in Times New Roman, 12-point font, with 1.5 line spacing, standard margins, and consecutive page numbering, and must be submitted in MS Word format.

Each submission should include the following components: Title, Abstract (approximately 200 words), Keywords, Introduction, Main Text (around 5000 words), Conclusion, Figures/Tables (if any), and References.

Authors must ensure accurate author affiliations, email IDs, and mobile numbers are clearly mentioned. All submissions should adhere strictly to academic and ethical standards, and the similarity index should not exceed 20%.
